Experience

July 2023 - Present | Esfahan - Toronto

Freelancer
self employed

With a decade of management and sales experience, I'm now a junior UI/UX designer, bringing a unique perspective to the field. My enthusiasm for design is evident, and I'm dedicated to learning and applying my diverse skill set to create user-friendly, aesthetically pleasing designs.

Nov 2022 - Oct 2023 | Esfahan, Iran

Chief Executive Officer
Salamat Tajhiz Caspian

As the CEO of Salamat Tajhiz Caspian, my approach was characterized by a clear vision to become a trusted name in medical equipment imports, a customer-centric focus on quality and compliance, a commitment to team development and market expansion, a dedication to innovation and adaptability, and active engagement in corporate social responsibility. My leadership aimed to achieve excellence in the medical import industry

Dec 2015 - Nov 2022 | Esfahan, Iran

Senior Sales Executive
Salamat Tajhiz Caspian

Since I was a member of the company from the beginning, I was fully acquainted with the company and its development path, which enabled me to invest in the company and act as a shareholder and board member. As time went on and the company expanded towards more specialized products and the creation of a sales team in the company, I re-started as a sales expert in the company and now work as a senior sales expert and board member in the company.

Nov 2016 - May 2023 | Esfahan, Iran

Co-founder & Admin
Tabgir Online Shop

I was doing the coding and web design work myself then with the advent of cyberbullying, the website expanded day by day, and with expanding of products and adding top brands to the store now we are acting as a medical online shop
